Friends of Sherwood Arboretum Association Inc.
Your membership for 2016

FOSA is a not-for-profit, voluntary community association, which has worked in partnership with Brisbane City Council since 1986 caring for this unique heritage-listed Arboretum at Jolimont Street, Sherwood.

We are working to see that Sherwood Arboretum thrives as a 'living treasure' of Australian native trees - a place for recreation, inspiration and learning for Brisbane residents and our visitors.

One of Brisbane's three most important botanic sites, Sherwood Arboretum was well ahead of its time in 1925 by its focus on Australian native tree species.

Your financial support for our advocacy and voluntary work will help us achieve the level of care this magnificent home to more than 1000 specimen trees, some rare and endangered, really deserves. Please call (07) 3278 6525 or email us for information. Thank you.

You can pay your membership directly into our Westpac account - Friends of Sherwood Arboretum Association BSB 034 078 account number 129010. **Please include your first initial and surname as a reference when making a direct deposit.**
